TERU SHIMADA

Issei Actor in Hollywood

[illegible] Note: This article [illegible] under the [illegible] and "Spotlights" in The New Japanese American News (Shin Nichi Bei) [illegible] Angeles.)

By HOSHI

[illegible] upon a time in the Land [illegible] Rising Sun, there lived a [illegible]. This Little Boy liked to [illegible] and watch his Grandfather [illegible] lovely things on pieces of silk. His mother secretly hoped [illegible] would not be long before [illegible] hand would reach over and [illegible] ask for the brush. And that will be a happy moment! But her thoughts were interrupted by laughing voices at the door. Although he was an artist, most of Grandfather's friends were [illegible], actors, musicians and dancers, and they dropped in at all hours, to and from the theatre. The Little Boy's eyes would grow big with wonder and fascination as he listened to the drama of their world. Their life seemed to whirl in a kaleidoscopic pattern—gay, exciting and surprising, always beautiful. He could listen endlessly. Later he would become pensive and dreamy.

One day the Little Boy went to the movies—his favorite pastime. Now, he had seen many movies, but none like this one. There was a strange aura about this picture—the buildings, trees, people—everything was unfamiliar, except one thing. There seemed to be one character who was a Nihonjin, only one, and they were making a great fuss

BLAZE GUTS GRAND FORKS CAFE

● ON THE NEWSFRONT

STEVENSON URGES END OF RACIAL DISCRIMINATION

NEW YORK.—Adlai Stevenson called last week for greater speed in ending "unfair discrimination against any of our citizens." He was speaking at a luncheon given by the National Stevenson-for-President Committee for foreign language editors. The Democratic candidate for the presidential nomination also proposed revision of the national origins quota system in the immigration act.

JAPANESE DON'T DIG JOHNNY RAY'S STYLE

TOKYO.—American sob singer Johnny Ray played to a half-cold audience in an all-cold hall last week. Ray, whose weeping style has made him a bobby-soxer favorite in the U.S., seemed to puzzle the Japanese in the audience of some 4,000 listeners. Ray is virtually unknown in Japan. Record shops say his platters are slow sellers.

SEEK ORPHAN'S FATHER IN CUSTODY FIGHT

TOKYO.—Mr. and Mrs. Masakatsu Yamaguchi, the Japanese couple fighting for custody of a blue-eyed half Swedish girl, are attempting to locate the child's American father. They want the girl's father to acknowledge that she is his child and give her U.S. citizenship. Then the Yamaguchis will ask his permission to adopt the child legally. The Swedish Embassy has also been seeking custody of the girl.

D'AQUINO CALLS DEPORTATION ORDER INHUMAN

TOKYO.—The husband of Iva Toguri d'Aquino declared the U.S. government's deportation ultimatum to his wife "goes against the humanitarian point of view." Philip d'Aquino, Portuguese newsman employed by an English-language newspaper here, said he would welcome his wife if she came to Japan.

SPECTACULAR FIRE DESTROYS NISEI'S POPULAR EATERY

GRAND FORKS, B.C.—A fire which arose but apparently only minutes after manager Mrs. M. Nakatani had left the building completely gutted the Moongate Cafe early Sunday morning March 25, and but for the fast work of the Volunteer Fire Department could have destroyed the entire structure.

It is the worst fire to occur in the downtown area for several years.

The Moongate, one of the most popular eating places in town, has been operated by Mrs. Nakatani for the past several years. She plans to resume operations as soon as possible in a new site at the Ronstroit Block, beside the government liquor store.

Estimated damage to the cafe was set at $3,000 for stock and $4,000 for equipment. It was not entirely covered by insurance.

The blaze is believed to have started in a pile of rubbish near the back door. In a matter of minutes the dry wooden framework of the building was burning furiously, as crews worked to remove as much as possible from the interior.

Flames shooting hundreds of feet in the sky brought a large crowd out to watch.

Must Learn to Distinguish Sense from Nonsense If Civilization Is to Survive, Warns Dr. Hayakawa

SAN JOSE, Calif.—Unless today's citizens learn to distinguish sense from nonsense, civilization will not be able to survive, Dr. S. I. Hayakawa, noted semanticist, told a capacity audience at San Jose State College.

His prescription for distinguishing sense from nonsense is that each person must undergo disciplines which will make it easier for him to talk sense himself.

Dr. Hayakawa, currently a lecturer in the language arts at San Francisco State College, was introduced by Dr. Arnold P. Miller, acting head of the college English department. The Morris Dailey auditorium was completely filled by an audience of students, teachers and townspeople.

Language has four functions Dr. Hayakawa said. These are to inform, to explain, to direct, and to evaluate.

All of these functions may be employed in one piece of writing or other form of communication, he said. The language of logic explains the relationship of one statement to another. Directive language is found in ethics, religion and in advertising.

Dr. Hayakawa explained that the highest form of language is evaluative and is found in literature and poetry. The criteria of meaningfulness in literature is sincerity, he said.

The speaker appealed for the unity of all knowledge instead of separation into categories. Teaching, he said is a word manipulating profession and one of the functions of the teacher is to train the student to talk sense. Unfortunately, he added, "the rewards of life do not always go to the person who talks fast." He warned against the delusions of normal people as well as the delusions of abnormal people.

"It is important for us to know the facts about the Russian people," Dr. Hayakawa said. "It may be equally important that we know the facts about ourselves."

WHAT'S THE MATTER WITH NISEI GIRLS?

American Nisei Men Seek Mates in Japan; Reminiscent of "Picture Brides" of 40 Years Ago

LOS ANGELES. — Dormant stories of Japanese "picture brides" of the 1910's and early 1920's is stirring anew with news that aboard the Pan American Clipper out of the Los Angeles International Airport tonight (March 30) at 11:30 p.m. will be a group of eight young men going to Japan to bring home brides.

Two of them are ex-GIs going back to marry the girls they met while stationed in Japan, but the other six will be going to meet brides-to-be arranged by parents or relatives in some cases and strictly by correspondence and exchange of pictures in others.

The young men, four Kibei and four Nisei, will be met by their young ladies at the Haneda Airport and the first marriage has been scheduled for April 16, according to Henry Hashimoto of the Asia Travel Agency.

The young men are between the ages of 27 and 35.

None of the young men were available for comment on the query "What's wrong with Nisei girls?"

The grooms to be will be flying to Japan with the travel bureau tourist group which numbers 65 persons.

And the plane tonight may be writing a new page in the marriage life of Japanese Americans. But the question arises, what's to stop Nisei girls from finding their grooms in Japan and bringing them back?

YAMAUCHI SIGNS WITH STAMPEDERS

CALGARY.—Calgary Stampeders of the Western Interprovincial Football Union Thursday announced the signing of fullback Joe Yamauchi, a leading contender for rookie honors last season.

A graduate of Edmonton junior ranks, Yamauchi averaged 4.6 yards a carry on 49 attempts last year and had a pass reception record of 16 catches on 16 thrown to him. Doubling on defense as linebacker, Yamauchi was often a 60-minute man on last year's Stampeder squad.

Toronto JCCA to Open 1956 Fund Campaign With Jigokumon Showing

Half a dozen applications were reported to date in response to the Toronto JCCA's request for notification of individual immigration problems. The immigration committee is preparing a questionnaire to conduct a survey of all such individual cases. The appeals will be sent en masse to Ottawa when all details are complete.

A showing of the prize-winning Japanese movie Gate of Hell next Sunday, April 15, will launch the 1956 Fund Drive. All tickets must be purchased in advance and are available at the Japanese food stores and the two newspaper offices.

A pep rally and dinner will be held next Sunday for canvassers for the fund drive. Those wishing to attend should contact T. Kameoka or Rits Inouye.

Next chapter meeting will be held Friday, April 1?, at 415 Spadina, 8 p.m.

U.S. Living Standards Too Soft, Conducive To Heart Ailments

YOKOSUKA.—Dr. Paul Dudley White, eminent American heart specialist whose No. One patient is President Eisenhower, declared that heart disease has reached "epidemic proportions" in the United States.

Doctor White addressed a large gathering at the Yokosuka Naval Hospital on Tokyo Bay. He referred to this as a "silver lining" era because all other diseases are about to be conquered.

With a smile, Dr. White said he thought underdeveloped countries should not envy the American standard of living in regard to rich diet and lack of exercise, which he described as the two important factors in heart ailments.

Dr. White is en route to Fukuoka in the southern part of Japan to begin a survey of heart illness among Japanese. He said he wants to find out why Japanese living in their native land have fewer heart ailments than Japanese living in Hawaii and other places outside Japan.

"Our reason may be that the native Japanese live a more frugal existence," Dr. White said.

Dr. White has just concluded a similar study among second and third generation Italians living in America and Italians living in Italy.

Invite VIPs to Ningyo Festival

Local notables, including city mayor Nathan Phillips, have been invited to attend a big Japanese Doll Festival to be held next Sunday and Monday at Canadian Legion Hall, Toronto.

More than 200 ningyo (Japanese dolls) have been collected for the display, among them hina-ningyo (girls' festival dolls), gogatsu-ningyo (boys' festival dolls) and kokeshi-ningyo (wooden dolls).

Other attractions displayed will be flower arrangements, bonsai (miniature potted plants), bonkei (miniature tray landscapes) and ukiyoye prints (wood block paintings).

An added feature is an exhibit of Japanese photography—50 prints in large-scale reproduction—mirroring the life and artistry of modern Japan, displayed courtesy of the Japanese Consulate. Sponsored by the Japanese Ministry of Foreign Affairs, the exhibit has been shown in U.S. cities and will be shown later at Vancouver.

A [illegible] cultural program will be given at 8 p.m. both evenings, and at 3 p.m. Sunday. Tea ceremony, musical renditions on koto and shakuhachi, and odori presentations will be performed. The Festival will be opened 2 p.m. to 10 p.m. Sunday, and 6 p.m. to 10:30 p.m. Monday.

The general public will be charged 50 cents admission.

Sponsors of the affair are the Toronto Garden club, under chairman Kay Oyagi and Miss Doreen Iris Carpenter, [illegible] offered by the Japanese Consulate, Toronto JCCA, and [illegible] club.

Sessue Hayakawa Was Childhood Idol

(Continued from Page One)

over him. I didn't know there was this kind of people, and why is one Japanese in the picture, thought the Boy. A peculiar sensation clutched him. He pondered. Thus, Teru Shimada was introduced to the American made film. He had met the attractive Sessue Hayakawa, the matinee darling of the '20s. Upon inquiring, he found that this film had been made in Long Island, U.S. of America. Having had a smattering of the acting profession through his Grandfather's friends, and his curiosity to see America, Teru decided his destiny.

After a decade of patient waiting and dreaming, he left Japan with a promise to his family of attending school in America. He had no friends nor relatives here. He spoke no English. But he knew what he wanted. Upon reaching California, he found out that movies were being made right here on the west coast. There was no need to go to Long Island.

Cecil B. de Mille In Early Interview

Teru Shimada then took a glimpse of the fabulous Hollywood. School was forgotten. With the countless others, he was swept and jostled in the unpredictable tide that caressed its victims on the crest of security, or tossed them to the mire of disillusion. Hollywood, like a pampered mistress, luminous and serene, capricious and generous, vicious and warm, possessed a sinister power. Teru felt it in his blood. It was inescapable! With stout heart and unquenchable determination he made the rounds from studio to studio. Everywhere he went, he saw hundreds like himself, quiet and wistful, searching and waiting for the same thing.

He recalls with laughter, one of his first interviews: Wanted: "A young, strong, husky man who can climb a rope." In a little office in front of a burly man, there hung a rope from the ceiling.

"Let see how fast you can climb this rope," the man called Cecil de Mille commanded. Teru was an athlete and a fine swimmer. With all his power he used his arms and legs. Not many days later, he was among the crew who sailed to the Hawaiian

Islands. He remembers how sweet and fragile Claudette Colbert looked riding in the Polynesian forest. He was one of the trusty guides who nonchalantly skipped up the tall palms for food and to scrutinize the horizon. After this prowess as an athlete, work as an extra in the movies came quite frequently, such as the role of a Tibetan guide in the "Snow Creature" of some years ago.

Then a crushing calamity smote Hollywood! Out of the womb of progress was born a monster, plaguing the lives of every individual in the film industry. Talkies came into being. Not to be discouraged at this stage, Teru attended schools—language classes, drama and speech classes. He worked at odd hours at odd jobs, as a butler, gardener, dishwasher, clerk—anything he could get.

With a far-away expression, like a warrior recalling his valors he said, "To have a talent is not enough. It had been a constant endless struggle for me. I like to suggest to other younger actors that they should never let down on their studies, whether it's drama, dancing or music.

Over 100 Bit Parts In Three Decades

Since coming to Hollywood almost three decades ago, Teru Shimada has been in over one hundred movies, mostly as an extra and a bit player. Since the war years, he has made at least ten movies as a part and a bit player. One of the recent ones was in "The Bridges of Toko-Ri" as the man who brought his wife and children to take a bath and found Bill Holden and his family already in the tub. In "House of Bamboo" he was Shirley Yamaguchi's uncle. In this film he worked with his childhood idol, Hayakawa. More recently, he has turned solely to the work of part players. "It is easier to make a living as extras and bit players, but there is no future in it," he explained.

I asked, of all the characters he's portrayed, which did he enjoy the most. "A few years ago I made 'Tokyo Joe' with Humphrey Bogart. I was his partner Ito. I had some judo scenes with him in which I won, well, people did not know me by name, they remembered me as the one who licked Bogart. I liked this assignment because in the beginning my role as Mr. Ito was small; but as the picture progressed, they kept adding more and more to my part, so it was much bigger than I had expected."

Sought Sakini Role Won by Marlon Brando

"Have you ever been so sure that you would get the part, then failed because of one thing or another?" I inquired.

Without any hesitation he remorsefully said, "Yes, Sakini of the 'Teahouse.' I was so sure of getting that role! I knew the lines perfectly. But who can compete with Brando?" I too was greatly disappointed, because of their loss.

He added that during the early days of his career, most of the parts were that of a houseboy, valet or a butler. One of his first plays was as a valet to Hale Hamilton, the leading man in the Henry Duffy Production. "The play was 'Dear Me,' and Grace La Rue of the Musical Comedies was the star."

Somewhere in the conversation I questioned about television shows. "There's an advantage in the TV shows. One gets to see the result much quicker, so one can see and correct the mistakes before it is forgotten. But no one can take the pace for very long. We shoot an average show in three days, hardly enough time to memorize our lines. Besides, the people won't take a steady diet of any one actor, no matter how good he may be." He has worked in half a dozen TV shows so far. Concerning the two recent ones. "Although I had the main part in the Kotaro Suto Story, it was not as challenging as playing opposite a veteran actress like Loretta Young. (The Pearl). That was a very satisfying experience."

A Little Too Modest, Courageous, Persevering

I gazed at this handsome man who has an unforgettable crop of white hair over a young face; I marveled at his courage and perseverance. "Acting is his art and talent; of that he has abundance. But he is too honest, too genuine and even a little too modest. In a heartlessly selective and a competitive realm, whatever goal and fame he has achieved, he has done it righteously. With sincere modesty he said, "I feel as if all these years there has been a great black boulder in front of me. Now I see a thin sliver of light coming through its side. I feel that I have accomplished very little, so far. If one of us, just one, could make good, then there'll be chances in Hollywood for the rest of us Japanese and Nisseis."

I noticed his hands, big and strong, hands that have sustained him by doing various chores, while his heart burned with one ambition. These hands may not have reached for the brush, but they have reached for the stage, and will not let go . . . "ah, but a man's reach should exceed his grasp, Or what's a heaven for?" [illegible]

夏の落葉

空が青すぎる。

明るすぎる異常の光の中を、しょんぼりと、ミドリさんは歩いて行く。

昭和病院の横のダラダラ坂を鋪道の方に下り、電車通りの乾いた歩道を虎の門の方に歩いている。足は銀座の方角に向いているが、實はどこへ行こうという當てもない。

初夏の微風も、街路樹のそよぎも、彼女のしずんだ心をなぐさめてはくれな[illegible]

（あなたはロボット。みじめなアヤツリ人形よ！）

ミドリさんは自分に言ってきかせる。（幕がしまって御用がすめば、ガラクタ道具といっしょに、舞臺裏の暗い片すみに、ぽいとほうり出されてグシャリとつぶれてしまう、あわれでコッケイな人形よ！）

病院には、二度行って二度とも、剣もホロロにことわられた。恐しい虎子夫人と物すごい美人の女醫が玄關にがんばっていて、小太郎君に會わせない。面接禁止という女醫の言い分は一應うなずけるが、その眼はまるでカタキを見るように[illegible]たい。虎子夫人に[illegible]ら。大切な息子[illegible]ミドリさんを追い出した。

——一緒に病院について行ってくれた大熊大作さんは、好意を持っていてくれているらしいが、虎子夫人の反對をおしきって小太郎君に會わせてくれる積極的な好意は示してくれなかった。（みんなあたしをジャマにしている。きらっている。小太郎さんも、あたしにはもう用はないのかもしれない。氣のすすまない縁談をことわるためのロボットにちょっと使っただけだ。最初からその約束だった。小太郎さんのほんとに好きな美しい人は、きっとどこかほかのところにいるのだ）

これが娘心というものであろう。迷いはじめると、果しなく迷う。沈みはじめた心はどこまでも沈む。生來の利巧さも勝氣な理性も役に立たない。すべてを悪い方に悪い方に解釋して、自分を人に見捨てられた餘計者のように思いこんでしまう。若い娘が自殺を考えたり、前後を忘れた無思慮な行動に出るのは、こんな時である。

しぼんだ心に、空の青すぎ、異常の光が明るすぎる街の騒音も耳に入らない。行きちがう人の姿も影絵のようだ。

電車線路をへだてた向う側の歩道にそって、黒ぬりのキャデラックが、ミドリさんを看視しながら徐行している。昭和病院を出た時から、この自動車はあとをつけて來ているのだが、ひとり思いにしずんだミドリさんは氣がつかないらしい。車の主は栗田金平氏であった。

呼寄せの一方法

別項「文通者を求める」廣告――トロントに居る日系青年（三八）がカナダに來たいと希望する日本の女性と手紙交換で友達になり、やがては結婚したい――は日本から親戚等を呼寄せたいと希望している人にとつては一つの手ずるとなるわけであるが、心當りの方は先ずニューカナディアン氣付ボックス一五宛てに手紙を出されるがよい。

ピーシー百年史

△ピーシー州が州となつてから明後年でまる百年になるので、州政府では今からその記念事業をいろ〳〵とプランしているとのことであるが、その一つに「ピーシー州百年史」の編纂が決つており、ピーシー大學歴史部のオームスビー博士が編纂者に選定された。

△ピーシー州はいうまでもなく日系カナダ人の第二の故郷である。日本移民が第一歩を印したところであり、苦闘半世紀の歴史をきざんだところでもある。他の東洋系移民と共に日系人はこの西部カナダの開發に少からざる貢獻をして來た。シーピー、シーエヌ兩鐵道の敷設工事と維持にどれだけ不當な賃銀下で勞力を提供したことか。ピーシー州の今日の發達隆盛はこの二大鐵道の開通に依ることは言を俟たない。

△フレザー流域の開發、各河川における漁業、そして山林業と日系人の產業界における努力はピーシー州百年史の少くとも一ページを飾るべきものがあろう。編纂の重點がどこに置かれるか、もとより知る由もないが、ともかく本州のチャプターから始まるものとすれば、同州發展途上に少數民族のなした功績が記録されることを望みたいし、そのために供する參考書類ぐらいは、いつでも揃えて置きたいものである。

水爆實驗禁止を

日本漁勞組合代表の演説（下）

ビキニにおける原水爆實驗のため南太平洋を漁場としている日本の漁民は非常な困難に當面している。今年もまた四月中にアメリカはこの恐ろしい原水爆の實驗を南太平洋で行う。

若し原水爆の實驗のために放射能が身体の中に入ると、白血球は普通の人の半分となり、骨や心臓や肝臓に入れば人間の身体の細胞を知らず知らずのうちに弱めて十年位たつうちに衰えて死んで行くということになる。これは恐るべきものである。久保山という漁夫は一年で死んでいる。廣島や長崎に原爆が落ちたとき、放射能を受けた人は十年後の今日自然に死んで行く人もある。

この實驗のために幾多の南太平洋の魚族が死んで、魚が居なくなれば日本の漁民は魚を獲ることが出來なくなって生活が出來ないという重大な問題となる。しかし吾々はアメリカの原水爆の實驗を止めさせる力を持っていない。

この原水爆の爆弾一個がヴァンクーヴァに落されたとすれば、ビーシー州の人間は勿論、生物は全滅してしまう。この恐ろしい原水爆兵器の使用を禁止して世界の平和を念願しているのは、ひとり日本の漁民だけでなく、世界の人々が、斯くあれかしと念願していると思う。しかるに、何ことこの恐るべき原水爆の製造や實驗の競争が激しく行われている。まことに人類のために悲しむべきことだ。

私達は友愛の精神を持って世界の人々と手を握り、世界平和のため原水爆兵器の使用を禁止する運動を前進させなくてはならぬ。

資本主義の社會では、個人の完成と繁榮とが全体の社會を繁榮に導いて行くという原理が、人間の社會を進歩させて來た。しかし欠點もあった。次の時代は、社會全体の完全なる繁榮と進歩が目的とされる。私は北太平洋沿岸の漁民がお互に仲よくして交友を深め、相互に親善を行い、北太平洋沿岸すべての國々が、精[illegible]繁榮することを希望している。

カナダ國は、資源が豊かであると同じように、人々の心もまた豊かで、人情の深い。私達を招待して下さったユニオンの方々をはじめ、皆様にはほんとに感謝致します。日本に歸ったならば、この友愛の氣持を日本の漁民に傳え、北太平洋のすべての國の人々のために、漁獲の繁榮のために献身的努力を拂います。

日本からカナダに來て居る人は、最早や日本人ではない。今日では、善良なカナダの市民であって、その點はヨーロッパから來た人も、イタリーやドイツから來た人も、みな同じように色々の國からカナダにやって來て今は文化的な産業的な一つの國を作っている。

どうかこれらの人達が同志的兄弟愛をもって、ユニオンの仕事に誰れ彼れの差別なくやって下さい。ヨーロッパの人々やその他の國々から來た人達と若葉を共にすることによって、このカナダの繁榮のために努力せられんことを特に切望致します。

大陸家庭消費組合でローン募集

トロントの大陸家庭消費組合では「運用資金を十分にして大量仕入れを行い、良い品物を安價で提供する」ために増資額一万弗を目標にして一般から出資を募っている。

△出資（ローン）は一口が二十弗で、一人で十口まで持てる

△ローンに對しては一年五分の利子を付ける

△右の利子を拂って尚純益がある場合は總會で率をきめた上で更に配當する

というのが大体の規定であり、既に出資している人でも十口に充たない人々の應募方が要請されている。

尚大陸家庭消費組合から品物を購入している人で未だ組合員（會費は一弗を一度だけ拂ばよい終身會員制）になっていない人々も、右の出資とは別に會員になって貰いたいと切望されている。

中東へ國連の特使を派遣

紛争解決へ最善努力するとハ事務總長が出發

【國連發】國連安全保障理事會は四日、國連事務總長ハマショールド氏を紛争の起つている中東に特使として派遣することに珍しく同意した。米國の提案であるに拘らずソ連もこれを支持し、中東側のイズラエルとその隣邦レバノン、エジプトおよびヨーダン諸國も國連事務總長に協力を契つている。ハマショールド事務總長はこの任務を快諾、紛争解決へ最善の努力を約束、六日空路イズラエルに向い出發した。

英、ソ連へ接近か

【ロンドン發】中東紛争に對する英米の乖離した見解により、英米關係はきわめて微妙にあるといわれる矢先ソ連からブルガーニン首相およびフルシチエフ第一書記の英國訪問も近ずいている。英國民の氣持ちとしてはソ連リーダーの風格をそのまま受け入れ、米國の反共態度に冷やかであろうとするものが次第に見えているといわれる。一部ではエリザベス女王のソ連訪問說まで唱えているくらいに、英國は今のところ對ソ接近のゼスチュアであるといわれている。

セイロン島選擧 佛式典が政爭に

【コロンボ發】セイロンの有權者三千五百万人は五日、七日および十日の三日間にわたり國會議員選擧に投票した。五日の選擧では立候補二四八人のうち四二名を選擧したが、今回の選擧では釋尊が入滅して以來二千五百年を紀念するウエサカ式典がセイロンで五月に開かれるがこの式典が選擧運動に使われている。これには日本から三笠宮殿下御夫妻が正使として參加されることになつている。

ソ連産と交種させ 新種木をネラう

【オタワ發】オタワ北部關係省ではカナダ山林增植計畫としてソ連産のスコッチ・パインおよびノールウエー・スプルースなどの種を取入れ、カナダ産のものとのまじり種をつくる試驗中であることを今週明らかにした。なおソ連産の種のほかに日本種なども取入れてカナダ北部における育ち方を研究している。カナダではソ連のこれらの種と交種させることにより、害虫や病氣に強く、しかも最短年數にパルプ材になる木をネラつているわけである。

對ソ方針きめよ

鳩山首相に鈴木委員長迫る

【東京時事通信】日ソ交渉に關する自民、社會兩黨首會談が、今週約一時間にわたつて院內總理大臣室で行われた。この會談には政府側から鳩山首相、重光外相、松本全權および[illegible]

[illegible]沼書記長、佐田國際局長らが出席した。社會黨側から「日ソ交渉に對する基本方針を決定しなければ、漁業問題なども解決しないことは明らかであるから、この際速かに基本方針を決定し[illegible]

きである」と述べ、鳩山首相もこれを了承、最後の十五分間は鳩山首相、鈴木委員長および松本官房長官の間でつつこんだ話合いが行われた。この席上鈴木委員長が鳩山首相に「日ソ國交の正常化のため、この際總理は速かに決斷をして態度をきめてもらいたい」と要[illegible]

「日ソ間の國交正常化はぜひ早くやらねばならないと思うが、國內の輿論や黨內情勢の關係もあり、かなりの時間が必要だが、とにかく日本の主張を通しつつまとめて行きたい。できるだけ早く政府の方針をまとめたうえで再び會見したい」と答え、再び鳩山・鈴木會[illegible]

ウ市に再び水害か

【ウイニペッグ發】レコード破りの九八インチという積雪をみたウイニペッグ市では、暖氣が加わると共に一九五〇年度のレッド・リバーのハンランによる大水害を繰り返す危險が增大しつつあると警報を出している。このほどの新しい吹雪とレッド・リバーの上流ノース・ダコタ州の暴風雨と相まつて、レッド・リバーの水量は危險標示點まで增水するものと今から万一に備えており、もし暖氣が急に襲うことになれば、水害は免がれなかろうといわれている。

△オ州ブラントフォードは雪解けで河川が增水、ある地域は洪水狀態である。またロンドン市でもテームス河が增水して水害を與えている。

しゃべりすぎると「松本外相」說薄らぐ

【東京時事通信】今週の總裁公選後に豫想される內閣改造の際に重光外相が退陣して松本全權が外相になるのではないかとの情報が飛んでいるが、ロンドンから歸國後の松本全權の言動に對して政府、與黨內部に強い批判の聲があがつており、このため「松本外相」實現の公算は薄くなり、結局重光外相が留任するのではないかとみられている。

△松本全權は歸國後、新聞ラジオ等を通じて「ソ連は戰勝國であり、大國だという認識が日本側に足りない」などと語り、政府、與黨首腦の日ソ交渉に對する方針に強い不滿の意向を表明、引續き早期妥結方式を固執しているが、政府、與黨首腦の間には松本全權のかかる言動は不謹愼だとしてこれを忌避する空氣が高まつている。

日系カフエ全燒

【グランドフォークス特信】當市內で中谷夫人が經營している評判のよいレストラント「ムーンゲート・カフエー」は先週日曜全燒した。損害は一万弗と見積られているが、一部は保險でカバーされている。中谷夫人は新カフエーを建てる計畫

催眠剤を禁賣!!

醫師の處方があればよい

【オタワ發】オタワ政府は今後醫者の處方がなくてはあらゆる種類の催眠剤の販賣を許さぬ措置を講ずることになつた。オタワ保健省當局では、一般が使用しているドリデンと稱する催眠剤も、ドクターの處方なくして入手し得ないリスト中に[illegible]

つきマーチン保健相は「大體、スリーピング・ピルスを處方なくして得ることは食物および藥品法違反である」と語つている。ドラッグ・ストアで賣つているドリデンは催眠剤でなく、鎮靜剤であるが、やはり處方なくしては買れない中に[illegible]

文化勳章を存置

【東京時事通信】根本官房長官は今週の閣議で榮典法案についての黨側との折衝經過を說明した結果、黨では文化勳章の存置を強く希望しているので從來のような藝術文化人を對象とせず、發明、科學など廣く文化一般を對象として特別の審議會で選考するという條件で文化勳章を存置する榮典法案の了承を得た。

日本交通事故死 世界では三番目

【東京發】國警が今週發表したところによると、世界第三位の大都市東京の自動車事故死數はこれまた世界第三位であり、一万臺のカーに對し死者七十名となつている。國警の發表ではカーの事故死のナンバー・ワンはエジプト、その次がコロンビアだとのこと。世界一カーの多い米國の死亡率は一万臺に對しわずか七名となつている。

南鮮關係好轉へ

【香港發】日本と南鮮との關係はそれぞれの抑留者を釋還することに同意したことにより明るい方向に進んでいる。金駐日公使が今週發表したところによると、日本と南鮮間に、日本の大村キャンプに收容されている四百名の南鮮人と、いわゆる李ライン內で拿捕して南鮮に捕まつている二百名の日本人漁者を即時釋放することに同意が成つた。このほか南鮮は不正入國又は犯罪者の南鮮人を引取ることを了承したといわれるが、これが手始めとなり、兩國間の重要懸案の解決に希望が持たれている。

dates and doings

by Margie

The Easter Parade, on an uncommonly warm and sunny day, has come and gone. One of the tinier paraders, an entrant in the Star's doll contest, appeared on the front page of that paper. Write-up read as follows: Smallest doll parader and certainly one of the cutest was three-year-old **Joy Miki** with her Japanese doll. If marks were given for little girls themselves, she would have carried off first prize. Her doll, however, just missed the top two in its class by a whisker.

Also smiling out of the Star was 15-year-old **Mary Hirai**, who takes part in the 5th annual ice carnival of the East York Skating Club which holds the last of its three-night show tonight.

Canada's Best Hair Stylist: Mr. **Lawrence Iwasaki** was seen in the Van-Sun with the handsome Ed Lance trophy he won in Toronto last month in the first Canadian National Hair Styling competition.

Frank Shimano of Mimico was named as one of the Simpson's reps from secondary schools, and appeared in the Globe and Mail.

Three of the 103 correct answers from over 275,000 entries in the Name the Oscar Winners contest were **Mrs. Ken Tamane**, 232 Bowood ave., **Rolande Moritsugu**, 635 Ossington ave., and **June Tanaka**, 394 Markham st. They will now compete in a tie-breaking contest to try for a "spanking new Oldsmobile" or $2,000, or the 2nd prize, a long weekend in New York for two. They are assured of consolation prizes.

More on jazz pianist **Toshiko Akiyoshi** from this week's Christian Science Monitor; caption under a pic of Toshiko with the Duke read, "Senior and junior pianists in the realm of jazz: Duke Ellington and Toshiko Akiyoshi meet in Boston." He stopped by to give encouragement to the scholarship student from Tokyo. . . . Notice that she's listed in the who's who section of Leonard Feather's Encyclopedia of Jazz.

Received a letter at this office to be forwarded to Grace Li, the Chinese girl featured in LIFE story who has to leave Canada by April 30 (mentioned here a while back). The letter was addressed to The New Canadian in Montreal and somehow found its way back here. Ah, the wonders of a postman!

A note from Mary, **Nisei Anglican Fellowship**: THIS IS IT, GIRLS! Your chance to turn around and treat the fella to a big evening. Lots of fun in store, so let's have everyone join in and make it a smashing success! Friday, April 20, 8 p.m. SHARP, is NAF's LEAP YEAR FROLIC! St. Simon's Church, Bloor and Sherbourne! (This gal loves !! marks) . . . games . . . dancing . . . prizes . . . refreshments . . . a fund-raising dance for NAF activities. Only $1 per couple or 75c stag. It's a come-as-you-are affair and hard-times will be acceptable. Prizes will be given for the most original corsage (home-made by the girls of course—no flowers, please), to be worn by the boys. NOTE: Rev. K. Imai announces that there will not be any Union Service in April. Next one will be May 13. . . . NAF's Wind-up Banquet and elections on Friday, May 25, 6:30 at China Gardens, $2 per. Anyone interested (Everyone is welcome!) call RU. 1-0046, ask for Mary. . . . NAF's camping trip: June 8-10 and June 15-17 at Cartwright Cottage, Huntsville. Accommodations for 20 persons only for each weekend, so call for reservations right away. Car owners willing to donate services kindly contact exec (3-4 cars per weekend will do).

Next **Friday-the-13th**, a **JCCA exec meeting** at 415 Spadina. Everyone welcome. . . . Also on bad-luck day is **Club Ami's Bowling** banquet and dance at Muirhead's, 67 Richmond, west of Bay. Dinner will be served at 8 p.m. to all participating bowlers. Dancing to follow (open to public at 25c a head) from 9:30-12:30. Come and join us.

NISEI AIM FOR BADMINTON CHAMPIONSHIPS IN MIXED AND MEN'S INTERCHURCH DOUBLES

Championship titles in mixed and men's doubles could come to Nisei shuttlers, pending the outcome of today's finals in the Interchurch badminton tournament.

Kay Ogaki - Tad Miura and Chiyo Takeda - Roy Shin were scheduled against second-seeded Olga Murray - Don Mackie and top - seeded Roberta and Bud Armstrong, respectively, in Friday night's semi-finals.

Tad and Kay, third - seeded, had to go all out in a spectacular match to beat Stanley - Mathews match to beat Stanley - Mathews in the quarter final. After losing the first set 10-15, the Nisei duo came back, making use of all the breaks and all their experience to win 15-10, 15-12.

Chiyo and Roy had a much easier time, although they scored an upset over fourth-seeded Haines and Tanaka, 15-11, 15-12. Shig Tanaka was not up to par after having suffered cramps, making it somewhat easier for the unseeded All Nations pair.

John and Tad Miura were the only remaining Nisei in men's doubles, going into semis last night.

Roy Shin - Tosh Kitagawa lost out in second round, while Peter Ito - John Murakami, playing their first tourney, were in the A section through some quirk in the draw system, and were eliminated.

George Shintani - Herb Kikuta reached the B semis by just edging Johnny Takeda - Matt Matsui in a three-set battle. Veteran George and junior Herby came up with a terrific display to down veterans Johnny and Matt. Harry Takaoka - George Takahashi are battling it out in C play.

Getting back to mixed doubles, Toshi Takasaki - Herby Kikuta and Ethel Tateishi - John Murakami are surviving in the B section. Mary Saito and Matt Matsui scored an upset in second round, but ran into a top duo in the quarter final and were blanked.

The tourney will wind up with finals in all events today.

Nisei Open Singles Start Wednesday

Tournament manager Tosh Uyeda urgently requests that would-be entrants in singles events in the Nisei Open file immediately, as the draw must be made Tuesday. Those unable to contact other officials can call Matt Matsui (WA. 3-9633). Last-minute entries will be accepted, as usual, but early application is requested.

Quite a bit of enthusiasm has developed in singles events with A and B sections. Tourney manager Uyeda may be top contender for Tad Miura's men's title.

Doubles events will open Monday, April 16th, and all finals will be completed by Saturday, the 21st. Wind-up dance is scheduled Saturday night.

Nisei bird officials are hopeful that world champs Ong Poh Lim and Teik Hock of Malaya may be able to make an appearance at Metro gym this Tuesday night, following their visit to the Badminton Racquet Club Monday.

Irene Urashi of Minneapolis, who competed in the Niagara Falls international event, told TNBC prexy Roy Shin she can't visit Toronto this year, but maybe she'll be around for next year's Nisei Open.

FLYERS WIN, TIE

Nisei Flyers beat Ottawa AC 6-4 Monday, working without a regular goalie, but were held to a 2-all tie Wednesday by Beacons. The pucksters now have an even 2 wins, 2 ties, 2 losses record and the next few games will decide whether they'll go on to championship standing.

Shig Murao, Johnny Okamoto to Set Scoring Pace For Chicago in Next Weekend's Cage Tournament

By FRED MIYASAKI

Chicago will be sending one of the strongest squads for next weekend's international basketball tournament in Toronto.

The starting line-up has Joe Suzuki, star player from Minneapolis, at the pivot, flanked by forwards Danny Hirabayashi and Shig Oki. At guard are former Chicago Huskie and Nisei Star greats Shig Murao and Johnny Okamoto.

Playing coach Murao, who will be making his first appearance here, is a former Seattle-ite, was a star basketballer at Springfield (Mas.) College and is considered one of the top Nisei cagers in America. Shig was instrumental in leading Saints to victory in last year's tournament at Chicago with his all-around display.

Murao's side-kick, Johnny Okamoto, is a great ball-handler and high scorer, and the two coupled will give Chicago a terrific one-two scoring punch. Other known members of the squad are Eiji Nakano and Will Mendoza.

Past performances indicate that once again spectators will thrill to an exciting exhibition of basketball next Friday and Saturday as Chicago Saints, Toronto Yamada Studio (formerly Mustangs), Hamilton Club Fidelis and Cleveland meet at Parkdale Collegiate gym.

SOCIAL EVENTS

Following Friday's games, a social will be held with dancing and refreshments at the Buddhist church. Girls will be admitted free, boys 50 cents. Saturday night the wind-up Dance will be held at UNF hall.
